The project is **due on Thursday, January 24th at 3pm.**

Download [InitProject\\_S19.zip](#) In the unzipped folder you will find project description and a folder called Lab00\_S19. Run IntelliJ IDEA:

Click "Open" and point IDEA to the Lab00\_S19 folder and click "Open"

When you run IDEA for the first time it may ask you for the location of your java installation, make sure to point IDEA to JDK 8.

Complete the project following the instructions from the attached document.

- NOTE:
  - Appendices: A, B, C, D, E and Java Interlude: 1, 2, 7 provide a review of the material that you learned in COMP150 (or equivalent).
- Attach the solution in a zip file:
  - all the java files that you changed
  - output of the final run of your program
  - each file that you are submitting must contain your name

The submitted solution **MUST COMPILE**.
